

Norfolk**COMPACT**

working together – better together

how the **COMPACT** makes your life easier

In your partnership work the Norfolk**COMPACT** encourages voluntary and community organisations to:

- take responsibility for improving service delivery
- provide reliable monitoring information
- maintain good management practices and standards

and it also fosters

- trust and mutual respect
- openness and community accountability
- a long-term approach to planning work with voluntary and community organisations
- an intelligent interpretation of Government rules – while meeting Best Value commitments
- recognition, respect and understanding for the roles of statutory organisations
- genuine grass roots engagement

...which all helps *you* to provide better services
