working together – better together

how the **COMPACT** helps you in your work

In your partnership work with the statutory sector the Norfolk**COMPACT** encourages:

- your voice to be heard
- genuine involvement in planning processes
- trust and mutual respect
- removal of unnecessary bureaucracy
- a long-term approach to service planning and funding
- openness and community accountability
- the unique role of the sector to be recognised
- more opportunities to take on service delivery
- better access to information about funding possibilities
